Dear Ms Jones,

**Snowdonia National Park Authority  
Local Development Plan 2016 - 2031 Revision Examination**

Further to my letter dated 21 February 2018 I can confirm that the Examination into the Review of the LDP will resume on 30 April 2018.

Following the completion of the Focussed Changes consultation period on 27 April, I trust that you will provide all the hard copies of the representations and documents submitted, including translated documents, to the Programme Officer as these will then need to be forwarded to me.

In terms of the timetable for the next phase of the Examination I am now working towards holding the first hearing session on Tuesday 17 July, and I don't anticipate that the hearings will last more than 3-4 days (17 – 20 July). I am also currently finalising the Matters and Issues to be discussed at the hearing sessions, the attendance list and the Inspector's Guidance Notes for Participants, and these will be circulated to all participants, along with the finalised hearings timetable, on week commencing 14 May 2018. It is anticipated that the deadline for submitted the responses and statements from the LPA and other participants will be Thursday 21 June.

If you require further clarification on any of the above then please do not hesitate to contact me via the Programme Officer.

Yours sincerely,

*Richard Duggan*
