Obtaining pre-application advice

In 2016, a statutory pre-application service was introduced by the Welsh Government to ensure all Local Planning Authorities provide a standardised service.

To access the service, applicants will need to complete and submit a pre-application enquiry form and provide as much information as possible about their proposal.

A charge is payable for this service unless you only wish to ascertain if planning permission is required. The fee varies depending on the type and scale of the proposed development as detailed below:

Householder - £25 (e.g. Developments within domestic curtilage such as extensions, sheds and garages)

Minor Development - £250 (e.g. Construction of new dwelling, barn conversion, camping sites)

Major Development - £600 (e.g. New housing developments of between 10-24 dwellings, new buildings with a floor area of between 1000m² and 1,999m²)

Large Major Development - £1000 (e.g. New housing developments of over 24 dwellings, new buildings with a floor area exceeding 1,999m²)

What information do I need to supply?

You should supply as much information as possible. Normally we will expect the following information:

- A description of the proposal and what kind of planning permission is being sought
- A location plan and any other drawings/plans or sketch details you have available
- The current use of the site or building
- Photographs of the site or buildings and of the surrounding area
- Any other relevant information

Further guidance can be found on page 3 & 4 of this leaflet.

What information will I receive for a paid enquiry?

The written response received will normally contain the following information -

- The relevant planning history for the site
- The relevant development plan policies

byddai'r cynnig datblygu yn cael ei asesu yn eu herbyn

- Canllawiau cynllunio atodol perthnasol
- Unrhyw ystyriaeth berthnasol arall
- Asesiad cychwynnol o'r datblygiad arfaethedig yn seiliedig ar yr wybodaeth uchod
- A ofynnir am gytundeb Adran 106 ai peidio (lle yn berthnasol)

Pryd y gallaf ddisgwyl ymateb?

Bydd yr Awdurdod yn gwneud pob ymdrech i ddarparu ymateb ysgrifenedig i bob cais dilyn cyn pen 21 diwrnod, oni bai fod yr Awdurdod a'r ymgeisydd yn cytuno ar estyniad.

Sut y bydd y cyngor cyn cyflwyno cais yn cael ei gymryd i ystyriaeth os yw'n dilyn ymlaen at gais?

Mae cyngor cyn cyflwyno cais yn galluogi'r swyddogion i ganfod yn gynnar unrhyw broblemau a allai godi o'ch cais, a rhoi cyngor ynglŷn â sut y gellid datrys y materion hyn. Dylai trafod eich cynigion yn gynnar helpu gyda phrosesu unrhyw gais cynllunio dilynol yn brydlon os dilynwyd y cyngor a ddarperir.

Nodwch, fodd bynnag, fod cynllunio yn broses ddemocrataidd, a bod unrhyw gyngor a ddarperir gan swyddog yn farn anffurfiol sy'n seiliedig ar yr wybodaeth a roddir ar y ffurflen, ac fe'i rhoddir yn gyfan gwbl heb ragfarn i unrhyw benderfyniad gan Awdurdod y Parc Cenedlaethol yn y dyfodol.

Mae'r cyngor a ddarperir yn seiliedig ar bolisïau'r Cynllun Datblygu Lleol, a gellir gweld copi o'r ddogfen honno yn swyddfeydd yr Awdurdod neu ar adran gynllunio gwefan yr Awdurdod www.eryri.llyw.cymru. Argymhellir eich bod yn dod yn gyfarwydd â gofynion y polisïau cyn mynd ati i baratoi eich cynllun.

Dychwelwch y Ffurflen wedi'i chwblhau, y Cynllun Lleoliad Safle ynghyd â'r taliad (os yn gymwys) at:

Gellir talu'r ffi â siec neu gerdyn credyd (wyneb yn wyneb neu dros y ffôn).

Sylwer, ar gyfer ymholiadau ble mae ffi yn ddaliadwy ni ellir prosesu eich cais oni bai fod y ffi gywir wedi cael ei dalu.

against which the development proposal would be assessed

- Relevant supplementary planning guidance
- Any other material consideration
- An initial assessment of the proposed development based on the above information
- Whether a Section 106 agreement would be sought (where applicable)

When can I expect a response?

The Authority will endeavour to provide a written response to all valid enquiries within 21 days, unless an extension of time is agreed between the Authority and the applicant.

How will the pre-application advice be taken into account if it follows on to an application?

Pre-application advice allows officers to identify any issues that might arise from your application at an early stage, and provide advice on how to resolve these issues. Discussing your proposals at an early stage should assist in the timely processing of any subsequent planning application if the advice provided has been followed.

Please note however, that planning is a democratic process, and any advice provided by an officer is an informal view based upon the information provided in the form, and is given entirely without prejudice to any future decision that may be made by the National Park Authority.

The advice provided is based upon the policies of the Eryri Local Development Plan, which can be viewed at the Authority's offices or on the planning section of the Authority's website www.eryri.llyw.cymru. It is recommended that you familiarise yourself with the policy requirements before preparing your scheme.
